

SAGEWOOD SCHOOL

Educating the Whole Child

23 January 2016

Dear Parents

Sagewood Fundraising

As you all are well aware, Sagewood Foundation is a non-profit organisation and depends solely on school fees for revenue.

Our strategy is to be the most affordable private school in Midrand thus making private schooling accessible to the broader community whilst not comprising quality, resources and infrastructure. Funding therefore is a crucial part of our business and we try to hold a few fundraisers during the course of the year which is well supported by our parent body for which we are extremely grateful.

There are other opportunities, however, to raise funds without placing any burden on our parents except for a little effort in terms of signing up to the MY School Project. Many of our current parents are already subscribed and are making a sizeable contribution on a monthly basis by swiping their cards every time they make a purchase at participating stores.

Given the size of our parent body we believe that we are not exploiting this opportunity to its maximum and therefore urge all parents to either register or if already registered to link your card to Sagewood School. The process is simple but the rewards are great. Kindly complete the attached form and return to school and your card will be issued to you.

Top participating schools earn in excess of R10 000 per month from these programs. Increased funding means better facilities and resources.

The My School card can be used at the following retailers: Woolworths, Engen, Quick Shop, Kalahari.com, Waltons, Toys R Us, Reggies, Power24.co.za, Jack's Paint & Hardware, Altech Netstar and My School Travel.

Your support is greatly appreciated in taking Sagewood to Greater Heights.

Thanking you for your support
